

THE PERFECT PAIR

HOUSING & PREVENTION

CARNIVAL CASINO NIGHT

DID YOU KNOW – There is a National Affordable Housing Crisis and literally hundreds of youth and families in Brevard County, Florida are currently experiencing homelessness, or are at imminent risk of homelessness, and in need of financial assistance.

Family Support Services offers Rapid Re-housing as an intervention utilizing the Housing First philosophy, which is designed to help individuals and families quickly exit homelessness and return to permanent housing through move-in assistance, rental assistance, and case management services. Housing First is an evidenced-based approach to ending homelessness.

Prevention Services provide youth services in 13 public schools working with grades 3-12. We offer life skills lessons, small groups, and individual goal planning to strengthen the individual child. It's their internal strengths that help them make wise choices that lead to their success.

TOGETHER, we make a "Perfect Pair" to help strengthen families in our community!
