OIC 2nd Chance Job Fair in Miami Dade

On September 1, 2023, Miami Dade residents and employers were thrilled to present the OIC 2nd Chance Job Fair, set in the heart of Downtown Miami at the Main Library, 101 West Flagler St. This event has been meticulously crafted for justice-involved individuals, symbolizing our community's dedication to inclusivity and the power of second chances.

Youth attended the Flagger Vocational Training at Eckerd's Miami Gardens office. To successfully complete Basic Training, the instructor determined that the flagger had to demonstrate knowledge and proficiency in flagging operations. Upon successful completion of this course, participants had to pass the handwritten test to obtain the completion card.

On 11/15/2023, Eckerd Connects Project Bridge C11 (Miami Gardens) hosted a "Grateful Thanksgiving" luncheon for all our youth, the Department of Juvenile Justice and Partners.

C-20 clients participated in Car Care Event in cooperation with Grace Church Cape Coral Campus. Our youth met other teens and worked with adults washing cars and performing oil changes for Single Parents in SW Florida area.

C20 Clients enjoyed a day out participating in a lunch and bowling event.

C20 hosted a care bag for the needy event. Youth gathered hygiene products like toothbrushes, toothpaste, tissues, and additional snacks to include in the care bags. Seeing the students come together to assemble the bags was truly heartening, and their involvement in writing encouraging notes to accompany the donations added an extra special touch to the event. They explored the importance of empathy and the value of reaching out to support those who are going through difficult times. Through this open and honest dialogue, we emphasized the significance of understanding and compassion, encouraging our youth to recognize the struggles of others and to offer a helping hand whenever possible. There was a total of 33 bags that were made.
