Celebrating Success and Transforming Lives.

"I am so thankful for the support I received from the Eckerd {Connects} supporters. Their act of kindness has inspired me to work hard and strive for success. I will always be thankful for the opportunity they have given me, and I will do my best to make them proud."

The Eckerd Connects Success Award recognizes individuals who have overcome adversity, demonstrated resilience, and achieved remarkable success through their involvement with Eckerd Connects programs. These inspiring stories showcase the transformative impact of our programs in empowering individuals to overcome obstacles and build a brighter future.

IMMANUEL

Immanuel comes from a single-income household, living with his aunt due to challenges at home. It's been difficult financially to make ends meet. Yet Immanuel has managed to excel through the Eckerd Connects Pathways Program which provides community integrated services for youth ages 11 through 19. These youth must have been placed on probation or minimum risk commitment and assessed as likely to re-offend. Immanuel's story is one of determination and perseverance. He has worked hard to improve his grades and found a calling at his high school's R.O.T.C. This impressive young man has volunteered in over 100 R.O.T.C. events and school activities. He dreams of furthering himself academically and is grateful to receive the Eckerd Connects Success Award.

ADDITIONAL STATS:

- Currently a Junior at Toho High School with GPA of 2.5.
- Dedicated to maintaining physical and mental well-being.
- He does tutoring and after-school programs.

"It means a lot to me that they believed in me and wanted to help me succeed. Their generosity has made a big difference in my life, and I am truly appreciative of everything they have done for me."
