Jack & Ruth Eckerd
Founders

Our founders, Jack and Ruth Eckerd, were philanthropists with tremendous vision, leadership and commitment to creating better futures for children and families. They believed every child is valuable and deserves the opportunity to succeed. — **deserves a second chance.**

True partners in life, each encouraged and inspired the other to achieve more than they ever thought possible alone. Their deep love for each other, for their own children and for **all** children set a standard of excellence for Eckerd Connects that we are deeply committed to maintaining today.
